EDUCATION

12th Board CBSE

Indus Public School, Jind
2022 - 2023

Bachelor of Engineering

Chitkara University, Punjab
2023 - 2027

SKILLS

- Full-Stack Web Development
- TypeScript & JavaScript (ES6+)
- Node.js & API Development
- React & Next.js
- Database Design & Optimization (MongoDB, Firebase)
- Web Performance & Debugging
- UI/UX Design Principles
- Problem Solving & Debugging
- Version Control (Git)
- Design Engineering

LANGUAGES

- HINDI
- ENGLISH
- PUNJABI

CERTIFICATIONS

Google Play Academy - Store Listing Certificate
(<https://www.credential.net/b0b698a9-4b51-4bee-a305-f456c941d207#acc.7tp2jF5g>)

ABOUT ME

I'm a full-stack developer with a strong focus on frontend design and user experience. I work with React, Next.js, Tailwind CSS, Firebase, and MongoDB, building modern, scalable web apps. From UI/UX design to API integration, I'm passionate about creating smooth, user-focused interfaces. I actively explore tools like Cursor and Claude to stay on the edge of design and AI-driven development.

WORK EXPERIENCE

Development Team Lead 2024-Current
Centre of Excellence (Apple Student Community) Chitkara - Rajpura, IN

- Organized events like HackDuet.
- Conducted a hackathon named "TechNova."

PROJECTS

- Built a comprehensive hospital management system built with React, Firebase, and Tailwind CSS.
- Built a platform where customers can browse and purchase handmade products.
- Built an innovative collection of mesmerizing background patterns crafted for modern developers and designers.

ACCOMPLISHMENTS

21st.dev - Component Design Contributor
Contributed to the evolution of the 21st.dev UI component library by generating and proposing modern, reusable components focused on accessibility, design consistency, and developer efficiency.

- I am incredibly honored and grateful to share that I was selected in Dean's List in Chitkara University with 9.64 CGPA in first sem.
- I successfully secured a Top 10 position among 250+ highly competitive teams at BharatTech-2.0, a prestigious 30-hour hackathon held at SVIET (Swami Vivekanand Institute of Engineering & Technology)
